PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 8/14/2020, 8/28/2020, and 10/29/2020.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

7	
---	--

	<u>Special Condition #3:</u> You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
--	--

Supporting Evidence: The offender is alleged to have violated special condition number 3, by failing to report to Pioneer Human Services for urinalysis testing on November 12, 2020.

On January 8, 2020, the offender's conditions of supervision were reviewed and she signed said conditions acknowledging an understanding of her requirements. Specifically, she was made aware by her U.S. probation officer that she must submit to urinalysis and sweat patch testing, as directed by the supervising officer.

On November 13, 2020, the probation officer received notification from Pioneer Human Services indicating the offender failed to report for urinalysis testing on November 12, 2020. In response, Ms. Johnson was reprimanded for her failure to report for urinalysis testing and she was again instructed to call the urinalysis testing phone line daily.
